# FAQ

## WHY CURCUMIN? (200MG)

Curcumin, derived from turmeric, is a natural compound known for its powerful antioxidant and anti-inflammatory properties. It helps maintain a healthy inflammatory response, supports joint health and promotes overall well-being.

## WHY VITAMIN C? (50MG ASCORBIC ACID)

Vitamin C is a vital nutrient that plays a key role in supporting a healthy immune system. It acts as an antioxidant, helping to protect the body against free radicals and oxidative stress.

## WHY APPLE CIDER VINEGAR? (300MG)

Apple cider vinegar has been used for centuries to support digestion and promote a healthy gut. It aids in nutrient absorption, helps balance pH levels and supports a healthy weight management.

## QUALITY ASSURANCE

Our Curcumin + Vitamin C + Apple Cider Vinegar Supplement is manufactured in a facility that follows strict Good Manufacturing Practices (GMP) to ensure product quality, purity and safety. Each batch is tested for potency and purity to ensure the highest standards of quality are met.

## SAFETY INFORMATION

Consult with a healthcare professional before starting any new dietary supplement, especially if you have any underlying medical conditions, are pregnant or nursing or are taking medications. Keep out of reach of children. Store in a cool, dry place.
