FAQ

WHY MARINE COLLAGEN? (1500MG)

Derived from marine sources, collagen is a vital protein that supports skin elasticity and helps maintain a youthful appearance. It also promotes joint health and supports connective tissues throughout the body.

WHY MAGNESIUM? (250MG MAGNESIUM CITRATE)

Magnesium is an essential mineral involved in various processes in the body. It plays a crucial role in supporting bone density, muscle function and overall relaxation.

WHY ZINC? (10MG ZINC CARNOSINE)

Zinc is a key mineral that supports immune function, cell growth and repair. It also aids in collagen production and provides antioxidant benefits.

WHY ORGANIC BLUEBERRIES? (450MG ORGANIC BLUEBERRY EXTRACT)

Blueberries are a rich source of antioxidants, including anthocyanins and vitamin C. These antioxidants help protect cells from damage caused by harmful free radicals and promote overall well-being.
